

Workshops & Sessions

Woodland Community College (07/18/2012 - 07/19/2012)

Stop the Paper: Using Communications Management to send E-mails

Presenter: Aaron Thomas

Presentation Date: 07/18/2012

Presentation Time: 11:00 AM

Track: FA, HR, Tech, ST

Abstract:

Sending rich HTML formatted e-mails through Colleague is easy. Learn how Butte College has created simple, easy to use templates to empower departments to create their own customized, yet consistent e-mails with very little technical knowledge or training required.

Occupational Fraud

Presenter: Deborah Campbell

Presentation Date: 07/18/2012

Presentation Time: 10:00 AM

Track: CF

Abstract:

What is Occupational Fraud? Learn about some real life schemes so you can help protect your college/district from financial losses.

How to Detect Fraud (Cont.)

Presenter: Occupational Fraud

Presentation Date: 07/18/2012

Presentation Time: 11:00 AM

Track: CF

Abstract:

Continued: What is Occupational Fraud? Learn about some real life schemes so you can help protect your college/district from financial losses.

E-Commerce 4.1

Presenter: Beth Watts

Presentation Date: 07/18/2012

Presentation Time: 01:00 PM

Track: CF, ST

Abstract:

RCCD went LIVE with E-Commerce 4.1 in January 2012. This session will review the set-up, testing, and GO LIVE process we went through. We will also review the support decisions we made, such as: credit card swipes and receipt printers.

Data Cleanup for Position Control

Presenter: Ken Blaney

Presentation Date: 07/18/2012

Presentation Time: 01:00 PM

Track: HR

Abstract:

PERS and STRS Updates

Presenter: Doug Haines

Presentation Date: 07/18/2012

Presentation Time: 10:00 AM

Track: HR

Abstract:

STRS and PERS Task Force/Bundles

Presenter: Doug Haines

Presentation Date: 07/18/2012

Presentation Time: 11:00 AM

Track: HR

Abstract:

Batch Wage Change Update

Presenter: Ken Blaney

Presentation Date: 07/18/2012

Presentation Time: 03:00 PM

Track: HR

Abstract:

Daily Audits

Presenter: Nathan Brown

Presentation Date: 07/18/2012

Presentation Time: 03:00 PM

Track: CF

Abstract:

By being proactive in identifying errors that will cause issues later you can reduce future work by staff and reduce student confusion. Ohlone College will demonstrate several reports that they run on a daily basis to identify such errors that can be fixed quickly and easily.

Extreme Data Summit

Presenter: Myrna Huffman

Presentation Date: 07/18/2012

Presentation Time: 10:00 AM

Track: CORE/MIS, Online

Abstract:

Myrna Huffman, Director of Information Systems at the CO, will be presenting a condensed version of her day long Extreme Data Summit. This series of four sessions is designed for anyone who submits data or uses data to/from the CO. Understand your data and how it reflects on your institution, whether for categorical funding, ARCC, or requests from media or the legislature.

Extreme Data Summit - Part 2

Presenter: Myrna Huffman

Presentation Date: 07/18/2012

Presentation Time: 11:00 AM

Track: CORE/MIS, Online

Abstract:

PART 2 OF 4. Myrna Huffman, Director of Information Systems at the CO, will be presenting a condensed version of her day long Extreme Data Summit. This series of four sessions is designed for anyone who submits data or uses data to/from the CO. Understand your data and how it reflects on your institution, whether for categorical funding, ARCC, or requests from media or the legislature.

Extreme Data Summit -- Part 3

Presenter: Myrna Huffman

Presentation Date: 07/18/2012

Presentation Time: 01:00 PM

Track: CORE/MIS, Online

Abstract:

PART 3 OF 4. Myrna Huffman, Director of Information Systems at the CO, will be presenting a condensed version of her day long Extreme Data Summit. This series of four sessions is designed for anyone who submits data or uses data to/from the CO. Understand your data and how it reflects on your institution, whether for categorical funding, ARCC, or requests from media or the legislature.

Extreme Data Summit - Part 4

Presenter: Myrna Huffman

Presentation Date: 07/18/2012

Presentation Time: 02:00 PM

Track: CORE/MIS, Online

Abstract:

PART 4 OF 4. Myrna Huffman, Director of Information Systems at the CO, will be presenting a condensed version of her day long Extreme Data Summit. This series of four sessions is designed for anyone who submits data or uses data to/from the CO. Understand your data and how it reflects on your institution, whether for categorical funding, ARCC, or requests from media or the legislature.

Colleague Architecture Updates and Review

Presenter: Aaron Stafford

Presentation Date: 07/18/2012

Presentation Time: 11:00 AM

Track: Tech

Abstract:

Wondering how the new Student Self Service, Payment Gateway, or Colleague Core Web Service have changed the internal Colleague architecture? This session will present an overview of the current Colleague Architecture, detailing the new servers and services introduced over the last year or two. Time will be allowed for discussions on how different institutions have handled the new hardware and software requirements.

SQL Server Migration Experience

Presenter: Fred Tahan

Presentation Date: 07/18/2012

Presentation Time: 03:00 PM

Track: Tech

Abstract:

Contra Costa Community College District will be presenting their experience migrating from UniData to SQL Server.

Student Web Training - How to Captivate Them!

Presenter: Beth Watts

Presentation Date: 07/18/2012

Presentation Time: 10:00 AM

Track: ST

Abstract:

Have you ever had a need to train students on a particular workflow in your online environment? If so, this session is for you. We will be taking a look at Adobe Captivate and how RCCD has used this tool to create timely tutorials for their students.

SQL Server Migration Discussion

Presenter: Aaron Stafford and Fred Tahan

Presentation Date: 07/18/2012

Presentation Time: 04:00 PM

Track: Tech

Abstract:

Open discussion of SQL Server migration from both UniData and Oracle. Come and be ready to discuss the issues encountered by schools that have migrated to SQL Server, along with the solutions to issues you might run into during your own migration.

Managing Printers

Presenter: Brian Orlauski

Presentation Date: 07/18/2012

Presentation Time: 10:00 AM

Track: Tech

Abstract:

How is your institution managing printers for users in your Colleague environment? This session will cover Mt San Jacintos solution for assigning default printers for users as well as managing multiple default printers for users. How is your institution managing printers? Bring your ideas and solutions, lets discuss.

Communication Management

Presenter: Daniel Abbott

Presentation Date: 07/18/2012

Presentation Time: 01:00 PM

Track: ST

Abstract:

How to use PCEX and communication codes in the Student Services area.

UI 4.3 Tips and Tricks

Presenter: Dave Snowden

Presentation Date: 07/18/2012

Presentation Time: 03:00 PM

Track: ST

Abstract:

Go Paperless!

Presenter: Anna Boomer

Presentation Date: 07/18/2012

Presentation Time: 04:00 PM

Track: ST

Abstract:

Come learn how other Datatel schools have leveraged the power of Colleague-centric eForms, workflow and content management to transform the way they do business.

Notice of Academic Difficulty

Presenter: Kimberly Pollard

Presentation Date: 07/18/2012

Presentation Time: 11:00 AM

Track: ST

Abstract:

Tracking students who are having difficulty in their courses early can improve retention and academic success. Come see how Mount St Marys College has developed an early warning notification process that informs

students, advisors and deans when students have low performance in a course. Through the use of WebAdvisor, Portal and email it is all possible.

Annual Updates

Presenter: Brian Heinemann

Presentation Date: 07/18/2012

Presentation Time: 01:00 PM

Track: FA

Abstract:

Updates to changes with 2012-2013. Watch out for that 600%. Verification processes and differences.

Gainful Employment - The After Shocks Part 1

Presenter: Nina Eusebio

Presentation Date: 07/18/2012

Presentation Time: 03:00 PM

Track: FA, CORE/MIS, Online

Abstract:

From letters to our college presidents, to correcting G.E. data and having to resubmit, calls from the Dept. of Ed., new web templates, and if you are a California community college, possible IPEDS and Financial Aid Participation Agreement inconsistencies. We will be doing a two hour presentation/discussion on these issues. We will be joined by Myrna Huffman and Rhonda Mohr from the State Chancellors Office.

Gainful Employment - The After Shocks Part 2

Presenter: Nina Eusebio

Presentation Date: 07/18/2012

Presentation Time: 04:00 PM

Track: FA, CORE/MIS, Online

Abstract:

Part 2 of 2. From letters to our college presidents, to correcting G.E. data and having to resubmit, calls from the Dept. of Ed., new web templates, and if you are a California community college, possible IPEDS and Financial Aid Participation Agreement inconsistencies. We will be doing a two hour presentation/discussion on these issues. We will be joined by Myrna Huffman and Rhonda Mohr from the State Chancellors Office.

General Opening Session

Presenter: Brian Orlauski and Kimberly Pollard

Presentation Date: 07/18/2012

Presentation Time: 08:30 AM

Track: ALL

Abstract:

Lunch

Presenter: Everyone

Presentation Date: 07/18/2012

Presentation Time: 12:00 PM

Track: ALL

Abstract:

Auto-Adjust Pell

Presenter: David Shook

Presentation Date: 07/18/2012

Presentation Time: 02:00 PM

Track: FA

Abstract:

Come ready to discuss drawbacks, benefits, and outcomes for the auto-adjust Pell process.

Working with ACT Compass

Presenter: Matt Cervantes

Presentation Date: 07/19/2012

Presentation Time: 09:00 AM

Track: Tech

Abstract:

ACTs Compass system is used by a number of institutions for evaluating student placement. While there are many great aspects to Compass, validating student IDs and processing tests in batch are not among them. This session will discuss Butte Colleges implementation of the Compass system, including the development of a custom .NET import process and custom Colleague screens for student validation.

Debit Cards for Disbursing Financial Aid

Presenter: Nancy Funk

Presentation Date: 07/19/2012

Presentation Time: 11:00 AM

Track: CF

Abstract:

AR/CF Track Round Table

Presenter: Cheryl Sullivan

Presentation Date: 07/19/2012

Presentation Time: 01:00 PM

Track: CF

Abstract:

This is our chance to talk about what we would like to see in the upcoming year for training sessions; talk about best practices; and network with each other.

Building Colleague Financial Web Based Employee Training

Presenter: Jeremy Salazar

Presentation Date: 07/19/2012

Presentation Time: 10:00 AM

Track: CF

Abstract:

This session is an overview of the YCCD web based trainings being given to new employees prior to the employee being given access to Colleague Financial. In this session you will see examples of what is included in the trainings as well as how the trainings were created.

HR/MIS

Presenter: Sandy Goudy

Presentation Date: 07/19/2012

Presentation Time: 09:00 AM

Track: HR

Abstract:

Using Rules and a Tiered Fee Structure to Set up AR Rate Tables

Presenter: Sharon Ewing

Presentation Date: 07/19/2012

Presentation Time: 09:00 AM

Track: CF, ST

Abstract:

This session will show how to set up the AR rate tables using minimum and maximum units, rules, and a tiered fee structure to charge fees based on both credits and once a term charges. Waivers will also be reviewed.

LDAP Integration

Presenter: Aaron Stafford and Brian Orlauski

Presentation Date: 07/19/2012

Presentation Time: 10:00 AM

Track: Tech

Abstract:

Is your institution managing authentication using LDAP or Active Directory with Colleague UIWeb and WebAdvisor? This session will focus on custom mappings of attributes, authentication, Colleague functions for managing group assignments, provisioning accounts, and deleting accounts.

Student Finance Self-Service

Presenter: Aaron Stafford

Presentation Date: 07/19/2012

Presentation Time: 11:00 AM

Track: CF, Tech

Abstract:

Student Finance Self-Service Ellucian has begun releasing modules that combine functionality that had been spread through many WebAdvisor screens. The first of these to be release is the Student Finance Self-Service module. This session will be an overview of the setup and use of this new module, along with a discussion of the other modules to be delivered, as well as the server-side issues that will be introduced with IIS based modules replacing the historic Java Application Server based WebAdvisor.

Using Rules in Degree Audit

Presenter: Paul Olsen

Presentation Date: 07/19/2012

Presentation Time: 10:00 AM

Track: ST

Abstract:

While rules are not encouraged in Degree Audit, there are certain circumstances where their use is called for. Several specific examples will be given, and time allowed for discussion. Paul Olsen is a seven-year Ellucian employee, and was a Registrar at Ellucian schools in Florida and Oregon for 20 years before that.

Priority Registration Order of Registration Round Table

Presenter: Beth Watts

Presentation Date: 07/19/2012

Presentation Time: 11:00 AM

Track: ST

Abstract:

As class offerings are reduced the competition increases amongst students for registration into the remaining classes. In addition, the State Chancellors office is currently discussing revising their take on priority registration. Come and discuss with us best practices to deal with these issues.

ST Round Table Wrap Up

Presenter: Beth Watts and Kim Christiana

Presentation Date: 07/19/2012

Presentation Time: 01:00 PM

Track: ST

Abstract:

MIS Roundtable and 3CMIS Update

Presenter: Nina Eusebio

Presentation Date: 07/19/2012

Presentation Time: 01:00 PM

Track: CORE/MIS

Abstract:

What is the 3CMIS group doing for you these days? Doug Haines from Ellucian and Nina Eusebio from Contra Costa will be giving you an update of what the 3CMIS committee is working on these days, in regards to regulatory needs. Also, we are going to be asking you (the users) what you think needs to be done to make reporting more efficient and what your "wish list" is.

Preparing Your Gainful Employment Report in Colleague - Pt 1

Presenter: Doug Haines and Lisa Kopstein

Presentation Date: 07/19/2012

Presentation Time: 09:00 AM

Track: FA, CORE/MIS, Online

Abstract:

Doug Haines and Lisa Kopstein (remotely) will be presenting a session on preparing your Gainful Employment submissions using Colleague. This presentation was originally a session at the National DUG convention this year. It was recommended that this session be expanded to two hours, in order to have plenty of time to answer user questions.

Preparing Your Gainful Employment Report in Colleague - Pt 2

Presenter: Doug Haines/Lisa Kopstein

Presentation Date: 07/19/2012

Presentation Time: 10:00 AM

Track: FA, CORE/MIS, Online

Abstract:

Part 2 of 2. Doug Haines and Lisa Kopstein (remotely) will be presenting a session on preparing your Gainful Employment submissions using Colleague. This presentation was originally a session at the National DUG convention this year. It was recommended that this session be expanded to two hours, in order to have plenty of time to answer user questions.

Darn, Special Populations Reporting Is Due This Summer!

Presenter: Doug Haines and Nina Eusebio

Presentation Date: 07/19/2012

Presentation Time: 11:00 AM

Track: CORE/MIS, Online

Abstract:

Doug Haines from Ellucian and Nina Eusebio from Contra Costa will be conducting a working session on preparing you Special Population MIS Report. With so many screens and the preliminary setup, this report can be a bit confusing.

3CDUG - The BUGs are coming.

Presenter: 3CDUG Board

Presentation Date: 07/19/2012

Presentation Time: 02:00 PM

Track: ALL

Abstract:

With the recent merger of the Datatel and Sungard to form Ellucian, the impact to 3CDUG regarding the potential merger of the user groups should be discussed. Come voice your opinions, comments, praise, and concerns regarding the path you think 3CDUG should take.

Lunch

Presenter: Everyone

Presentation Date: 07/19/2012

Presentation Time: 12:00 PM

Track: ALL

Abstract:
